

EXHIBIT A

PLAINTIFF'S CERTIFICATION

Robert Shemian ("Plaintiff") declares that:

1. I have reviewed the first filed complaint in the Research In Motion Limited Securities Litigation and adopt, and would authorize the filing of, that complaint.

2. Plaintiff did not purchase the security that is the subject of this action at the direction of plaintiff's counsel or in order to participate in this private action.

3. Plaintiff is willing to serve as a representative party on behalf of the class, including providing testimony at deposition and trial, if necessary, and Plaintiff is willing to serve as a lead plaintiff either individually or as part of a group, a lead plaintiff being a representative party who acts on behalf of other class members in directing the action.

4. Plaintiff's transactions in Research In Motion Limited securities during the Class Period are attached hereto.

5. During the three years prior to the date of this Certification, Plaintiff has not sought to serve or served as a representative party for a class under the federal securities laws.

6. Plaintiff will not accept any payment for serving as a representative party on behalf of the class beyond the Plaintiff's pro rata share of any recovery, except such reasonable costs and expenses (including lost wages) directly relating to the representation of the class as ordered or approved by the court. Plaintiff understands that this is not a claim form, and that Plaintiff's ability to share in any recovery as a member of the class is unaffected by Plaintiff's decision to serve as a representative party.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed this 11 day of August 2011.
